Total Cost of Borrowing																									
-																									
This table shows the total cost of bo	rrowing through Ha	rmoney. The tot	al cost of borrowir	ng is the total amo	unt of interest paid	d over the term of	f the loan plus the	cost of the only cor	npulsory fee - the	e Platform Fee															
The costs shown are for the full term	n of the loan. If you	repay faster tha	n required the cos	t of borrowing will	reduce as you pay	y less interest. Th	nere is no fee for p	repayment.																	
These costs are indicative.
